if you are taking medications, it is recommended that you check to see if any medications will require a Therapeutic Use Exemption (TUE). Please note that TUE's can take several months to process. Medications can be checked via the following website:

<http://www.globaldro.com/home>

In your application please acknowledge that you are aware of these rules, but specific medications do not need to be identified.

**Applications are due by December 15, 2018.**

**Please submit completed applications to Danielle Lewis ([dmaloni4805@gmail.com](mailto:dmaloni4805@gmail.com))**
